

Name: _____

CIA: _____

CIA Process Template:

1) What is the area of focus (e.g. power/priority standard, learning target, instructional strategy)?

2) What assessments or student work/activities are used to monitor student growth?

3) Written reflection detailing how the instructional strategies impacted the student growth in relation to the standards-based focus of the CIA.

- Insightful and make connection to **student learning and growth** in the area of focus and instructional practices, cites specific examples, and
- Include **next steps/growth area** in teacher practice.
